Profile

Well read and well traveled, I am an independent worker with strong skills in **Research, Information Technology, Electronic Engineering, & Computer Programming** (specializing in micro-controllers such as Arduinos). **I can learn and master most software packages quickly** and have a keen interest and understanding of social sciences, history, culture, and global affairs.

Formal Education

2018–2019 **Elycio Talen** (Enschede, the Netherlands)

Dutch Integration classes, learning about the language, life, culture, and history of the Netherlands.

2005–2006 **Centre de Russie pour la Science et la Culture** (Paris)

Courses on French and European Culture & Literature.

2003–2004 **OSCVI** (Owen Sound, Ontario)

Relocated to Europe before graduating.

2001–2002 **St. Mary's High School** (Owen Sound, Ontario)

Departed early due to philosophical differences.

1998–2000 **West Hill Secondary School** (Owen Sound, Ontario)

Honour Roll Student, created the school's first website, and served a co-op placement at the Grey Bruce Regional Health Centre in Owen Sound in their Information Technology Department.

Awards

- ★ 1st Place OBEA Bluewater District Word Processing Contest
- ★ 1st Place Gauss Mathematics Contest
